RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

To the Assessing Officer;

As a rate payer and member of this community I strongly object to the construction of this Telecommunications Facility. This is an area for community sports and recreation. It is used year round by people and particularly children who should not be exposed. We have these fields to ensure people are exercising, however this installation will keep people away thereby having the opposite effect.

Curl Curl North Public School is too close to the proposed area meaning children will be exposed daily.

Regards,
Christine Falzon
