Subject: TRIMMED: DA2022/0932 for 146 Forest Way, Belrose

Hello.

I may have missed the opportunity to make a formal submission, however I would kindly request this submission is considered in your determination.

Myself and my wife and daughter have had the opportunity to enjoy the outdoor play area and garden in the past and we consider it to be a unique experience in this area, where you can enjoy an outdoor garden to have a drink and food with friends in an informal setting.

With good design, I'm sure any acoustic solutions can be provided to minimise neighbour concerns.

We support the application.

Regards
