b) Any plans and / or documentation submitted to satisfy the Conditions of this consent.

Reason: To ensure the work is carried out in accordance with the determination of Council and approved plans.

B. Add Condition 6A - Prior to Construction Certificate: External Finishes to Roof to read as follows:

The external finish to the roof shall have a medium to dark range (BCA classification M and D) in order

to minimise solar reflections to neighbouring properties. Any roof with a metallic steel finish is not permitted.

Details demonstrating compliance are to be submitted to the Certifying Authority prior to the issue of the Construction Certificate.

Reason: To ensure that excessive glare or reflectivity nuisance does not occur as a result of the development.

Important Information

This letter should therefore be read in conjunction with DA2020/0155 dated 08/02/2021.

Please note that on site works cannot proceed unless a Construction Certificate application for the modified proposal has been lodged with and approved by Council or an accredited certifier, and relevant conditions of the Development Application have been carried out.

Right to Review by the Council

You may request Council to review this determination of the application under Division 8.2 of the Environmental Planning & Assessment Act 1979. Any Division 8.2 Review of Determination application should be submitted to Council within 3 months of this determination, to enable the assessment and determination of the application within the 6 month timeframe.

Right of Appeal

Section 8.10 of the Environmental Planning and Assessment Act confers on an applicant who is not satisfied with the determination of the Consent Authority a right of appeal to the Land and Environment Court within 6 months of determination.

NOTE: A fee will apply for any request to review the determination.

Signed On behalf of the Consent Authority
