RE: DA2019/1426 - 77 Collingwood Street MANLY NSW 2095

Good Morning NBC,

I would like to add my support for the Coffee Window submission. This is a great local business who has been very supportive and charitable to the wider community. We need to support our local businesses to ensure their survival. The window servery ensure fast service and less time people mill around outside the shop as it takes the pressure off inside. I would appreciate NBC approving this application.

Many Thanks

Marcus Bolton
