**RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107**

I object to this proposal put forward for the development of 24 Wandeen Road. There are many factors involved namely the destruction of high risk trees, very little if no consideration has been taken to save these trees. We have a high wildlife population in this area and the removal of these trees will have a significant impact.

Also the height of the proposed building is outside the legal envelope. The plans are misleading and do not show correct levels.

I am happy to supply further information if necessary. I have read in detail the submission from Mr and Mrs Henry and feel they have covered my concerns.

This development cannot be allowed to go ahead with these current invalid plans.
