**RE: DA2021/1311 - 1031 Barrenjoey Road PALM BEACH NSW 2108**

I have family in Palm Beach who live in very close proximity to the café. Outside of the current covid restrictions I visit most weekends, often staying the night. I have no problem with the café operating during the day but I feel like it would negatively impact on my family and the time we spend together. Parking is a nightmare during the day, with café patrons often taking the only available parking spots. Usually we time our arrival to coincide with closing time so we can park relatively close to our destination. If hours were to be extended we would struggle enormously to find suitable parking. The noise level at the café is often quite loud. Usually all the tables inside and on the footpath outside are full and you can hear it clearly from my families house. While I understand this can not be helped during the day (the business has to operate) we don't deserve our family time to be constantly interrupted during the evening. After all the tourists have left for the day, Palm Beach is very much a quite residential suburb filled with retirees and families.
