Subject: DA 189 Riverview Road Avalon

Dear Sir/ Madam

Thank you for notifying me about the Notice of Proposed Development at 189 Riverview Road.

I feel that the overdevelopment of the site is out of keeping with the nature of our suburb, where the natural environment and ecosystems are important. The few trees that have been retained in the proposed development will certainly be affected by the close proximity of the digging of foundations for the large building and the trees will soon die.

I hope that council will reject this DA.

Yours sincerely

Sylvia Saszczak
