SERVICE LOCATION REPORT

350 Victoria Street
Wetherill Park NSW 2164
Ph: (02) 8320 2200
bosbas@opalwm.com.au

I, Greg Houston of Opal Water Management Pty Ltd, being accredited to carry out a Service Location Report, certify that the information shown on the Report has been prepared in accordance with the relevant instructions and accept full responsibility for the accuracy of the information on the Report

For the purpose of this report bdy (boundary) refers to fixed structures (fence, retaining walls, buildings etc) used to tie location of the assets, and may not always correspond to the property boundary (as identified on site plan).

For all enquiries relating to the SLR, please contact bosbas@opalwm.com.au

DO NOT SCALE.

Always reference dimensions shown in preference to scale when reading this document.

Opal Water Management is not responsible for any scaling errors or omissions caused by reproducing these documents.
