Dear Anna Williams,

I am joint owner of unit number 9303 level 2 2-10 Mooramba Rd Dee Why.

The west side of the unit looks directly out on 10 Painters Parade, Dee Why.

I refer to my telephone call with you the other day and my concern is that if the owners of the property built on 10 Painters Parade, intend to cover any fence on the western side of their property that it be covered with greenery as the level of the land rises to the height of our windows. We could also lose the sun on the western side of our property.

Kind regards Adela and Wayne Lamb
