**Subject:** McDonald's at manlyvale/balgowlah

To the council

We do not want or need a McDonalds on the corner of Rosebery street and Kenneth rd at the rounabout.

Traffic is at gridlock a lot of the time.

Safety for pedestrians

The units opposite would love the noise

We have a KFC already with smells

Rubbish will be left all round the area like at the bus stop near KFC

Junk food NO

Plenty of fast food close by

No consultation with residents you just do it.

I could go on but you wont listen anyway
