S4.55 Plan of Management Statement

Dear All,

We refer to the lodgement of S.455 Application for our project at 195-197 Sydney Rd in Fairlight. With this letter we would like to confirm that the Section 4.55 application:

- has not changed the number of rooms or room types
- has not changed number of carpark spaces; and
- has no impact on the original Plan of Management approved with the DA application

Yours sincerely,
