RE: DA2019/0845 - 68 A Queenscliff Road QUEENSCLIFF NSW 2096

I wish to object to the proposed development on the basis that the proposed height of the building appears to exceed the height of the existing building and the maximum permitted height limit and is likely to block the views from my unit. The lift block on the top of the building is of particular concern in this regard. The proposed development also has insufficient parking spaces for the size of the block - it should have 5 more parking spaces, especially considering the development includes 2 commercial businesses. There is already insufficient parking for residents in Queenscliff Road and surrounding streets.
