RE: DA2018/1924 - Forest Way FRENCHS FOREST NSW 2086

Please defer granting approval for redevelopment of Forestway Shopping Centre until a suitable traffic plan is adopted allowing southbound traffic direct access to Forestway eg. synchronised lights at Russell Ave. The no entry sign in Grace Ave was placed there to prevent vehicles from Belrose, Davidson and the shopping centre disrupting the traffic flow along Warringah Rd. by trying to enter from narrow Forestville side streets. Already the am. southbound traffic is slowing to a crawl in the undercut.
