**RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101**

I lived at 1162 Pittwater Rd for over 9 years, only leaving recently my rental home, right on the seas of Collaroy/Narrabeen.

I firmly believe the wall protects the homes, but it does not protect the beach.

You need to balance this protection story with sand on the beach - continuously, just like the Kirra sand nourishment story proves.

Please invest to protect and preserve this beautiful stretch of beach that I've loved leaving on for nearly a decade.
