Subject: D.A 2020/0962

To whom it may concern,

Further to reviewing the proposed D.A plans, I encourage the Council to approve the additional outdoor seating at this iconic location.

I rate Hugo's Manly, to be in my top 2 restaurants in Sydney. The food and service Hugo's Manly provide are equal with the location and the views you never forget, where we all can appreciate what this location has to offer.

Regards

Paul Whitfield
