General Manager
Northern Beaches Council
725 Pittwater Rd
DEE WHY NSW 2099

Dear Sir/Madam,

Re: Stormwater Management Plan – 86 Quirk Street, Curl Curl

With reference to the Development Application for the above property, please find attached a copy of the site Stormwater Management Plan for your perusal.

The plan shows collected flows from the proposed roofed and landscaped areas being discharged to the road reserve in Bushey Place.

Note that on-site stormwater detention tanks have been provided to restrict peak discharges from the site in accordance with Council policy.

Note that the DRAINS hydraulic modelling file is also attached.

Should you require any further information please contact the undersigned.

Yours faithfully
