RE: Mod2017/0063 - 80 Evans Street FRESHWATER NSW 2096

I really wonder what has changed between the previous withdrawal of the application to extend working hours on Saturday and today. "Saturday Extend working hours from 1.00pm to 4.00pm internal finishing once façade works complete"

Every single day we endure very high noise levels. Every Saturday we can hear/see that work is conducted well BEFORE 08:00. This has to stop and this application has to be disapproved. It is outrageous from Harbord Diggers to try it a 2nd time after the many complaints!
