RE: DA2020/1173 - 14 Ernest Street BALGOWLAH HEIGHTS NSW 2093

I am writing to make an objection to the DA proposed for 14 Ernest Street Balgowlah Heights. I am concerned about the size of the structure and that it doesn't comply with the building regulation height.

We have a nice mixture of new and old in our street and I feel by allowing a structure of this size, it ruins the street scape.

Kind regards

Shannon
