RE: DA2025/0132 - 37 Roseberry Street BALGOWLAH NSW 2093

You have to dig deep to find the only real difference in the applictaion which is to reduce the hours of operation. All of the attempts to address traffic issues are really only cosmetic and will not solve the already congested area around this site. The newly suggested hours of operation are exactly the times during which much of the traffic congestion happens. Roundabouts and median strips will only make it worse. I suggest Council tell Maccas to find another site.
