**RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097**

I have been looking for a reason to move to the Northern Beaches - in particular Collaroy. A friend, who lives in Collaroy has referred me to this development on the Council website. I must say this development is just what Collaroy needs .It can't come soon enough .- I fully support these types of development that improve the amenity in so many ways.
