**RE: DA2024/0123 - 10 Inman Road CROMER NSW 2099**

Hello,

I would love to have this health centre in Cromer, for me it's a very central location with work and I feel I could utilise it a lot. It's really nice to see the Northern Beaches to put its health first. With a ageing population Pilates could really benefit our people. Feels Pilates was made by Northern Beaches mothers and I think we should support them to better the community. Thanks for letting me have my say.
