RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

DA2018/1481

I am definely opposed to this. The EMF effect is going to be hugely detrimental to local residents. There is no safety or protection for the people with this exposure. Secondly it is not in keeping to the character of Collaroy Plateau.

We need to protect this special place and not install this unnecessary and unhealthy eyesore.
Many thanks
