**RE: DA2020/1063 - 2 / 0 Bennett Street CURL CURL NSW 2096**

I wish to strongly object to the proposal for further lighting in John Fisher Park.  
I have read through all the submissions to date and can find not one in support from any local residents. I believe the impact on their amenity is too great with the surrounding houses backing directly onto the parklands.

It seems that consultation with local residents has been very sadly lacking in this proposal.

This DA application for sports lighting at John Fisher Park should not be approved.
