RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097

I have had a very good look at the proposed plans for this site. It would certainly make a very good improvement to the area and existing dwellings. It would seem that the plans are very well constructed and would fit in very well, giving improvement to the other old buildings in the area. I would certainly approve of this development and hope that Council will see fit to grant permission for their go ahead. Regards, Irene
