RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

I would like to voice my opposition to this DA As a long time resident of Palm Beach (1966) I find it totally unsympathetic to the beachside village character of this location. Specifically the bulk and height seem excessive and will block the view of the bushland on the ridge behind In relation to this point how much native habitat will be removed permanently during construction Also of concern is the loss of the bus stop plus a number of parking spaces and the encroachment on the heritage Barrenjoey House.
