To whom it may concern

We are writing to support the above Development Application.

Pilu at Freshwater is an icon in the area. It brings people, especially families for weddings and other celebrations to enjoy this beautiful area.

Not only do they provide an excellent venue and service but they are great supporters of the local community, being very generous with donations to local charities and events.

All their staff are friendly members of our community and help provide a safe, supportive neighbourhood.

We have lived at 69 Undercliff Road, Freshwater since 2008 and have never had any reason to complain about noise or unruly behaviour associated with this venue. In fact, the opposite as the wedding ceremonies and functions bring a lovely ambience to the area.

Parking is always an issue at any popular beach and this occurs early in the mornings with surfers and families arriving for the day. In fact taxis and ubers seem to be the main form transport for Pilu's customers.

We fully support this Application.

Yours sincerely
