RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

I feel that the development is well beyond the construction height and size of all other buildings and will not fit into the village look of the area.

The first thing people will see as they arrive by ferry and other water craft will be this building, lets not make the mistake the council made in Ettalong by allowing the oversized building seen from everywhere
