RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I strongly oppose the construction of this tower any where near residential houses and parks where children play sport seven days a week .Not only does it spoil the landscape but also proven extremely dangerous for growing children .
Its also deeply concerning that NB council would even consider this application and not put the health/saftey and beautiful natural landscape under jeopardy again .
Throw this application in the rubbish!
