**RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106**

Newport surf club is in urgent need of renovations. It upsets me seeing it look sonrun down and shabby. The club is a huge central point for swimmers, competitors (iron, board , swim, ski, IRB, lifesaver), social activities, nippers, functions. Everything is old and run down and very disfunctional. Disfunctional space for craft storage compared to what 100's of other clubs have around NSW. Pretty embarrassing in fact! The hall and balcony needs overhaul, the bathrooms downstairs are terrible. Considering how many peoples lives the surf club touches and enhances from age 6 on this is a no brained. The renovation plans look amazing and will serve the community far better than the current club.
