RE: DA2020/0332 - 4 Dareen Street BEACON HILL NSW 2100

hi

first of all I did not receive any notification from council regarding DA 2020/0332 is their a reason

most concerning is loss of my privacy

over looking into my back yard

the shadowing onto my property

building height glaring directly into my bedroom

this will devalue my property

regards

Angelo Saroukos
