### Reasons for referral

This application seeks consent for the following:

- Construction / development works within 5 metres of a tree or
- New residential works with three or more dwellings. (RFB's, townhouses, seniors living, guesthouses, etc). or
- Mixed use developments containing three or more residential dwellings.
- New Dwellings or

### Officer comments

The proposed works include replacement of the existing stone seawall, and existing palms located in close proximity are Cocus Palms which are exempt species which may be managed or removed without Council consent, and thus Landscape Referral raise no objections. The existing Gum further upslope shall be protected and standard tree protection conditions shall be imposed.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
