Re: Submission for affordable housing – The George Group

I am pleased to support The George Group in their quest to organize affordable housing in Sydney and specifically on the Northern Beaches.

Jewish House is extensively involved with housing the homeless, and it is very clear to anyone within the housing services arena that the Northern Beaches needs affordable and stable accommodation.

We are strong supporters of The George Group model for such accommodation which, we understand, they are planning to rollout in a number of locations in Sydney including the Northern Beaches.

They have a Fisher Road, Dee Why Project that has the final meeting and close of submissions tonight, and we stand with them wishing them every success.

Please feel free to call if you need any further information

Yours sincerely,
