Hello Adam

In relation to Harbord Hotel 29 Moore road/ DA 2021/1620

Main concerns is the huge volume of people the additions to the hotel will attract. We( neighbours) were always told they are having a cocktail bar upstairs, but this has grown to be way more than a cocktail bar with music at all hours and all the after noise & mess we as neighbours deal with.

Of course changes happen, but not considering the village atmosphere of Freshwater and making it into a Manly Wharf venue would not be welcomed by many who live here. Freshwater will no longer be a special place!
