Subject: Susan Terry re notification in DA DA2019/0356, 19 Marshall Street, Manly

Hello Kye

Thanks for your time on the phone today.

Re the above notification, the only concerns I have are the possible heights of the new trees and shrubs indicated. There is no eventual expected height or any details given, about these trees.

There is a "flowering gum" which will be directly in front of my property, so I ask that the chosen varieties of trees are restricted in height to a reasonable limit, which will not grow much higher than the "granny flat" dwelling, or impact my aspect and view. No palms please, as they rapidly grow too tall.

I delivered a letter to the owners of 19 Marshall Street requesting to meet them for more detail, re this concern, but I have not yet had a response. This is why I am lodging it with you (I will be unavailable from 21 May until 6 June, so please use email if necessary).

Thank you.

Susan Terry
