Subject: I support Application Number: Mod2023/0684

Hello -

My name is Meg Hayne - my family live at 9 Iluka Road, Palm Beach and we are thrilled with the opening of the Barrenjoey Boatshed. I'm writing in full support of approving extended trading hours for Barrenjoey Boatshed (Application Number: Mod2023/0684). It would be a huge missed opportunity for the immediate and wider community not to be able to enjoy afternoons and evenings with family and friends at such an idyllic location. We have been waiting for its reopening as there are limited options for residents and guests to enjoy a sophisticated dining and social venue. The gorgeous location, beautiful decor and top quality food is something we have all been looking forward to for afternoons and evenings and would be a shame to limit its operating hours. Thank you for taking the local community members wishes into consideration.

Kind Regards,

Meg & Matthew Hayne
