RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

Re: DA 2020/0514

We are writing to express our enthusiastic support for the above DA lodged by Manly Boatshed and the Treharne Family.

My wife and I are both retired local residents. We store our six metre surf skis in Manly Boatshed's current storage facility and have done so for the past three years.

We paddle five days out of seven and having the convenience of being able to store our skis that close to the water, with no need to load and transport them by car makes pursuing our "healthy" hobby so much easier.

The proposed improvements outlined in the DA to simplify access and upgrade amenities will encourage more users to enjoy the natural beauty of our harbour, particularly retirees like us and families.

Manly Boatshed is a family business that promotes a friendly, inclusive community atmosphere. Businesses with this ethos are rare and should be encouraged as the ripple effect they create through the local community is both positive and far reaching.

We are more than happy to be contacted personally should you require any additional comment.
