RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

We absolutely oppose to the protect of building 51 apartments at the old Library site. We strongly believe we are going to be affected by traffic, parking and our street will suffer turning into a busy street, our kids won't be able to play on the street anymore, the walk to school will become unsafe with all the cars affluence. We are not happy about the size intended and our opposition is irrevocable.
