RE: STRUCTURAL ADEQUACY OF THE DRIVEWAY
LOCATION: 83 PARKES RD COLLAROY PLATEAU

Reference is made to a review of the plans for the above address to determine the structural adequacy of the concrete driveway.

Based on this review and with reference to the following:

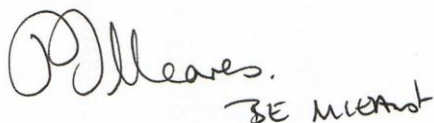

- AS2890.1
- AS4100 Steel structures Code
- AS2870 Residential Slabs and Footings Code

It is my opinion that the concrete driveway located at the above address is certified structurally adequate.

If you have any further questions please do not hesitate to give me a call.

Yours Sincerely,

MEARES CONSULTING
