28th May 2021

To whom it may concern,

**RE: Hydraulic Design Certificate for proposed additions at
No.122 Parkes Road, Collaroy Plateau.**

This is to certify that our hydraulic design (Drawing Number 2021262 H1, dated 28/5/2021) for the proposed additions at the above address is prepared in accordance with the Australian Rain Fall & Runoff, AS 3500 and Warringah Council Design rules and regulations.

We hope this certificate meets your requirements. Should you require any help or further explanations, please do not hesitate to contact us.

Yours faithfully,

I. Makdissi
