MR Jackson England
32 Elvina avenue ST
Avalon beach NSW 2107

RE: DA2024/0044 - 27 Kevin Avenue AVALON BEACH NSW 2107

This building will cause unnecessary development. It will impact our green space, increase traffic, make parking harder. Kevin is a very popular street for school children to walk to and from school. Increase in traffic and cars in this street from 21 units could make this a very dangerous area for children. Please do not agree to this development
