**RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106**

Please go ahead with the building plans for Newport surf club...  
It will make a huge difference for the club...the existing building helps the lifesavers.... The  
new extension will benefit the future generations to come..  
The new builds of Avalon & Mona vale surf clubs have made a massive impact for their club &  
area.... It's now time for Newport to shine too..  
Please let the build go ahead
