Subject: D.A. 2021 / 1612 SUPPORT NEW SEA WALL CONSTRUCTION

To Whom it may Concern,

I am the sole owner of 1190 Pittwater Road, Narrabeen on the corner of Clarke Street.

I have had my single level timber cottage for 20 years and it is one of the properties comprising D.A 2021 / 1612. Our block of properties running from Clarke Street to Wetherill Street are all now requesting that Council approve the construction of a new Sea Wall (D.A. 2021 / 1612)

- Global warming has changed our local environment and all Australian's need to face that simple fact and be proactive.
- The storms of June 2016 reinforced the huge unprotected risk to the Surf Club, to the properties along the Narrabeen / Collaroy beach front and the risk to the vital link of Pittwater Road which was inundated.
- I ask Council to carefully review and ignore the slew of negative comments against our D.A.
 - The vast majority represent non-residents who have reacted to media misinformation and clearly to not understand the Sea Wall concept.

I trust Council will grasp that we on the Northern Beaches can no longer just " bury our heads in the sand " and that now is the time to act.

Council's Approval of tis D.A. will be for the benefit of future generations of Northern Beaches residents .

Warm regards,
Paul Marshall
