Dear Sir,

I have concerns for the residents of Waratah Road and Beach Road Palm Beach .

Joeys Restaurant is a satisfactory venue as it exists.

Loud music travels over water on a still night and it would be anticipated, if Joeys becomes a function centre, noise will be out of control for nearby residents.

Thanking you for consideration of no increase in trading hours.

Dunes and the Palm Beach Golf Club have maintained a certain propriety and have been considerate of neighbours.

Recent late Saturday noise from Joeys has been unacceptable.

Thank You,

Dr John Schmidt
