**RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093**

This is re-submission of my objection to the proposed Child Care Centre being built at 16 Bangaroo St. Below are my reasons for the objection:

- 1) Traffic report has a large # of errors in it. (168 Express bus missing from the report, this either shows lack of attention to detail or trying to avoid the traffic from it)
- 2) Parking, as we all know 6-8 of the parents will park and take the bus to work. These parking spaces are just not available. (Sure, we can all create a report where they somehow miraculously do become available)
- 3) Worrobyl Street has no sidewalk, parents parking there to walk their kids will be at risk on the road.
- 4) I have school aged children who catch (and drop-off) the school buses from the roundabout, having a child care centre so close to the roundabout introduces a risk as cars will be using turn signs for the child care centre, confusing people who are using the roundabout. (Who from the council will be held accountable when a child is injured or killed?)
- 5) Handicap parking, how can a handicap child be dropped off at the childcare centre? What if this takes 15-20 min, what impact will this have on the other parents waiting for the drop-off spot on the site? Will they not accept handicap children and discriminate?
