RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

Dear council, once again, please seriously review this plan to redevelop the site - as it stands now it will destroy the ambience of one of most special places in the area. We have a small community & while everyone understands the need to rebuild / repair buildings & homes at certain times, surely it can be done with regard for existing dwellings . Height restrictions, footprint on the land, lack of parking for such a building - even the visual ramifications of a building so out of place on the peninsula should all be considered before final approval. We want something beautiful that our community will be proud & happy to support in the future....
Thanks, Julie
