RE: DA2021/0006 - 10 Jamieson Parade Collaroy NSW 2097

I object to this proposed development on the grounds of its excessive height, bulk and scale and it will majorly impact on our ocean and golf course views.

I am also concerned about privacy from the top floor looking back into our main living areas which are orientated towards the views and this house.

It appears to me that the percentage of landscape area is also non-compliant with Council Regulations. As is the roof height and boundary walls.

Yours faithfully

Mr Andrew White
