**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

I am writing with regards to the proposed development plans for Robinson Road, Newport and to lodge my family's protest to these plans. With an ocean side suburb as beautiful as Newport, local residents want an environment that promotes and assists the socialisation and culture of our amazing community ... with busy Barrenjoey Road already splitting Newport in half, please allow us to have and enjoy an area that promotes alfresco dining, cafes, greenery, a pedestrianised meeting place for locals, with the beautiful tree lights and option to dine and socialise, safely and within alcohol and noise restrictions, that can rival any European destination. We are already denied beach front dining and the use of our surf club to the max is already restricted so please do not deny us this opportunity to promote Newport in this way, to create something at the heart of Newport and no more concrete! We have already lost our Newport Arms so please allow us a say in how we can adapt our wonderful suburb to cater for our wonderful locals and community. Let's think long term future happiness and with our hearts, not with development dollar signs in our eyes,
