**Subject:** Unwarranted closure order of Belrose Bowling Club's kids' play area

Hi,

Can't believe Council would even entertain this nonsensical imposition in response to the sounds of kids having a little fun.

This is especially ludicrous given that so little constructive amusement for kids, actually prompted by exercise instead of gazing at TV, computer or other devices, is available to kids; they are having a tough enough time as it is. We should all think ourselves lucky that they would actually want to play outside.

And considering how few residences could possibly be within earshot, or 'affected', the notion of closing the Belrose Bowling Club's generously provided play area sounds like something out of Monty Python (but without the humour).

Hoping you cancel this proposed closure.

Yours sincerely,

Andy Otes
