RE: DA2019/0278 - 1 / 1 Moore Road FRESHWATER NSW 2096

An indoor recreation facility for over 15year olds is completely inappropriate for the proposed site. I feel this type of business would be better suited to an industrial area rather right in the middle of the village which to date is predominantly frequented by families. Freshwater village is definitely not the thriving place it used to be when we first moved 20 years ago to Freshwater and the proposed business will definitely not enhance it. Will extra parking be provided? So many questions.
