RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

The current plan does not enhance the village ambience of Newport.
This will be a missed opportunity to bring some charm to the muddled and run down street
scape especially on Barrenjoey Road.
Close Robertson Road, make it a delightful plaza.
Try to get all the parties involved - with an architects' overview - and ensure complementary
buildings we will all love is the result
